A screenshot of the Google homepage. At the top, there's a search bar containing the query "public key certificate, certificate auth". Below the search bar is a "Search" button. To the right of the search bar, there's a link to "Search tips" and another to "Dissatisfied? Help us improve". Further down, there's a "Type to search" input field and a "Search" button. On the left side of the main content area, there's a sidebar with various links and information, including "News" (New lines of communication from Financial Times, 3 hrs ago), "Email" (Lunch tomorrow? Mandy M Y <... 11 min ago), and "Weather" (61°F Clear - Mount). At the bottom of the sidebar, there's a "Type to search" input field and a "Search" button. The overall layout is typical of the Google homepage from around 2006.
